About

With its tapered stems and geometric thick/thin lines, F37 Bergman is just the job for luxury branding.

F37 Bergman is a revival of Hans Möhring's Florida typeface. Swedish film director Ingmar Bergman often used Florida in his films – always in stark black and white. This inspired us to digitalise the font and create a matching lowercase version in four new weights.

We love Möhring's juxtaposition of tapered stems and geometric thick/thin lines. This makes it perfect for luxury branding and editorial work. We've also injected some modernity into the design by creating numerous Herb Lubalin-style ligatures, as well as stylistic headline diacritics.
