## About

---

Big, bold and beautiful, F37 Judge does justice to your designs.

F37 Judge tips its hat to the trusty, utilitarian font DIN, along with old wood-type specimen books. It's a versatile, impactful geometric sans-serif that really looks the part in XL sizes. This makes it the perfect choice for headlines that need to pack a punch – from posters to editorial layouts.

F37 Judge comes in plenty of different weights (32, in fact) as well as normal and condensed widths with matching italics. It's further bolstered with OpenType, giving you stylistic alternates, such as the 'O', for completely different, unique look. We've also built in stylised diacritics, allowing you to tightly space your headlines.
